## New Telephone Book Shows County Growth

New Southern Bell Telephone directories were delivered to Benton and Marshall County last week, and the size of the county shows that Marshall County continues to grow.

A measure of the growth of Benton and surrounding communities is the large increase in the number of telephone directories that have been distributed to local subscribers.

Approximately 2200 new directories are going to homes and businesses, according to Mike Bernersheim, Paducah, Manager for Southern Bell Telephone Company, compared with 1950 when the last directory was delivered.

The new directory is the largest ever printed for this county, containing 30 white pages and 40 yellow pages.

The yellow, or commercial pages, especially have been increased since the previous directory and contain a great deal of information about Marshall County business firms.

The directory includes phone numbers of all the towns and cities in the county—Benton, Calvert last name listed.

**HOW 12TH NIGHT BEGAN**  
"Twelfth Night," which many towns celebrate by a community burning of Christmas trees, is derived from the custom of early Christians who celebrated the feast of the Nativity of Christ for 12 days, placing special emphasis on the last or twelfth day. The "Twelfth Night" tree burning is also said to commemorate the night of the Star of Bethlehem.

## Calvert Boy Scouts Enjoy Outing Trip To Dawson Springs

Boy Scout Troop 65 of Calvert City recently took a primitive cookery hike. The boys cooked a meal of meats, vegetables and bread without the use of utensils.

The scoutmaster, Shelby Johnson, and assistant scoutmaster, John O'Bryan, senior patrol leader John Seel and tenderfoot Roy Phelps, Lindell Moore, Tommy O'Bryan, Fred Ross, Bobby Selefried and Jackie Denip met at the Methodist Church in Calvert City and motor'd to Pennville State Park in Dawson Springs. There the cars were left at the main lodge and under the leadership of O'Brien a 10-mile route was covered. A break was taken at dinner time.

All boys passed some of their first class tests. The day was perfect for hiking. All sorts of animal tracks were seen and followed.

Scouts are looking forward to an overnite hike in January. All boys interested in boy scouting are invited to meet with the troop at its regular meeting.
